### Tell Them From Me Parent Survey—Have your say!

We are seeking feedback from our parent body on various aspects of school. The survey is anonymous, voluntary and easy to use. Achieving high participation rates in the *Tell Them From Me (TTFM)* parent survey helps schools reliably identify areas of strength and areas for improvement from the perspective of parents, and helps inform practical changes where needed. To give your feedback, please use the link: <http://nsw.tellthemfromme.com/35p4h>

More information about the survey is available at: <http://surveys.cese.nsw.gov.au>

### Wombat Bush Poets

On Tuesday 22<sup>nd</sup> October, Melanie Hall, Susan Carcary and a Wombat Bush Poets representative will deliver a performance poetry lesson with all of our students K-6. The lesson is free to the students and will engage the students in literature, creative writing and performance.

### Woolworths Cricket Blast Cup

On Tuesday 24<sup>th</sup> October, all of the stage 2 and 3 students travelled to Walker Park in Yass to participate in the Woolworths Cricket Blast Cup. Children from Yass, Berinba, Mt Carmel and Jugiong enjoyed four friendly rounds of cricket. All of the students showed great sportsmanship and teamwork and our Jugiong students represented the school with pride. A fun day was had by all.

### Hats

With the warm weather already here, it is important that all students are wearing their summer uniform and particularly their wide brimmed school hat. If students do not have a hat, they will have to play in the shade. School hats can be purchased from the office for \$15.

## Mountain Trails Camp

On Wednesday the 25th to Friday the 27th of September, Jugiong Public school travelled to Mountain Trails Adventure Camp in Wee Jasper.

We had so much fun and did many activities like: riding horses, canoeing, caving, archery and whip cracking, bush walks and fun story telling round the camp fire.

Our favourite activities were caving and archery. I loved caving because exploring caves was so much fun to look around and adventure through it. The caves were a bit slippery, dark and damp. We even turned all our torches off, so that our eyes could adjust to the darkness. We played hide and go seek while in the caves. It was a blast.

Archery and whip cracking were also really exciting because there was a lot of obstacles that you had to try and hit, so you could win it. A lot of our arrows flew over the top of the shed. Whip cracking was cool because it was challenging, but exciting at the same time.

All the kids showed lots of resilience, persistence, leadership and teamwork.
