Thank you, Jugiong Motel!

We sincerely thank Jenny and Mark from the Jugiong Motel for their ongoing support of Jugiong Public School and recent donation of \$500. We strive to provide the children with every opportunity to explore, discover and learn within a caring and supportive learning environment.

Their generous donation assists us to reliably communicate with our families and wider community through the production of the newsletter and Jugiong Journal. We will also use this donation to develop our Creative Arts (music) program.

Our music program for 2020 includes the development of a new school band, through the purchase of a new trombone and music books for all the children. This is a considerable contribution to our new school band and our extended music program, of which we are very grateful.

Thank you, P&C!

We are very excited to have received our new school signage today. The P&C purchased the signage to replace the very old, existing signage at the front of the school. The signs are a modern touch to the school as we strive to update the external spaces and create a more appealing learning environment.

Swimming Carnival

The Small School's Swimming Carnival was held at Binalong Memorial Pool last Friday 14th February. It was a fantastic day of swimming, sunshine and smiles as Jugiong swam against children from Wallendbeen, Binalong and Stockinbingal. Jugiong was again successful in winning the champion's trophy. Special thanks to those parents who helped out on the day with timekeeping, Mandy Bourlet who kindly donated her gazebo and both Mrs Hyles and Mrs Jones. The children did themselves and the school proud. Well done everyone!

PSSA Swimming Carnival

The PSSA Swimming Carnival will take place at Cootamundra on Friday 28th February. Seven of our very keen swimmers have made it through to this carnival. Congratulations Samuel Elphick, Sam Manwaring, Lucy Robb, Lachie Robb, John Elphick, Zac Bourlet and Amy Manwaring. We wish you all the best next week as you compete.

Music

Music lessons with Mr Brooker from the Young Regional School of Music have started with a hoot, toot, honk and squeak! Individual music lessons and choir recommenced while the year 3-6 band members tried out their instruments. Students will be playing trumpets, saxophones, clarinets, trombones and a flute. We look forward to listening to their tunes at our first whole school assembly being held on Wednesday 1st April.

Preloved uniforms available

The office has received some preloved school uniform items in sizes 5 & 6. They are in excellent condition and can be purchased for \$1 to \$5 from Danielle in the office

Mural painting

Yesterday, the students started painting values murals on the external walls of the administration building. The students created their own design to reflect the school values -

Respect, Responsibility and Resilience, giving them ownership and a strong, meaningful connection to the project. This area is quickly going from drab to fab with creativity, collaboration and imagination. Special thanks to our vibrant teacher, Steph Hyles, for facilitating this experience for our students.

Teacher professional development

On Thursday 20th and Friday 21st February, Ms Condon and Miss Main will be attending the Rural and South West Small Schools Conference in Queanbeyan. The conference outcomes include the development of strong, collaborative relationships across schools and networks and the development of programs, structures and strategies to support small school improvement in Aboriginal education, reading, numeracy, wellbeing and attendance.

Roof replacement

The roof of the residence and library building is currently being replaced with new Colourbond sheeting as part of the Department's planned maintenance program. We will also see work commence on a retaining wall for our vegetable garden area and new windows installed on the student toilet block. Many works are currently being undertaken to improve our little school.
