Week 10! The Easter sugar rush has been and gone and the odd sense of not being on holidays after celebrating Easter, has been upon us this week, as everyone pushes through to our 11th Week for the term! Looking forward to our Assembly on Thursday next week and hoping to see as many families as possible at the ANZAC Day community event on the 25th of April. Our students have been very busy learning about so many wonderful things and it is great to be able to share some of these with you in this month's newsletter. Year 3 - 6 have concluded not only some testing through NAPLAN (Years 3 and 5) but also their novel study of Blueback. Creating some very interesting discussions surrounding environmental issues, which may effect both the area they live in (rural/country) and the ocean and coastal areas of Australia (where the book was set). The students are looking forward to seeing the Blue Wrasse at the Zoo this week, which is a similar species to the Blue Groper in the story. Thank you so much to those parents who have returned permission notes and money for this exciting event coming up.

K-2 have worked hard on Easter crafts and also writing information reports on animals they will be looking out for on our Zoo excursion including native Australian animals, Kangaroos, Echidnas and Dingoes.

Students in 3-6 have also been working on their writing this month. Some of our students wrote interesting recounts from their Easter weekends and some fun narratives earlier in the month. (See insert)

## Easter Hat Parade

Congratulations to our Easter Hat Parade winners. Olivia and Felicity for their amazing hats. Thank you to Bennett for being our judge,

Each year the Year 6 cohort contribute to fundraising.

As part of Olivia's

efforts she organised an Easter Egg guessing competition, raising \$100.

Ada was the very happy winner, and she kindly shared the chocolate eggs with her fellow students on Tuesday, giving each student 3 solid chocolate eggs. This was a very thoughtful gesture and shows Ada's considerate nature.
