## Success for our small schools camping event at Stonehenge, the first ever Bidgee Bush Camp!!

Firstly another huge thanks to Mrs Sally Keatinge for her generosity and support in preparing her property, as well as organising activities for the students to enjoy such a fun and successful event, bringing together Bongongo, Nangus, Humula, Brungle and Jugiong schools for our inaugural Bidgee Bush camp. To our dedicated staff members, Katrina, Susan, Danielle, Letesha, Linda and Lisa, who worked tirelessly with me to pull together the event, I thank you and commend you on the dedication to improving the learning experiences for all of our students. It was so rewarding to see the smiles on all of the students faces and hear the positive comments from our small school colleagues as we farewelled our new friends on Friday. From Nacho Burgers to “kites being best friends” it was hard to pick our favourite moments from the two-day event, however our students definitely enjoyed the fishing, hiking and rock art as some of their favourites, but most of all spending time with friends, new and old, was most notable memory made for most of our students.

A big thank you to Poppy Keatinge for coordinating the Squadron Energy donation which meant we were able to provide the camp at zero cost to all of the students and staff involved and special mention to the P&C shopper extraordinaries Courtney and Hayley, and for all of the delicious treats provided by the bakers among our school community, we thank you all and are forever grateful.

**Small Schools Bidgee Bush Camp**

Generous sponsorship from Squadron Energy's generous Wind Farm, provided the opportunity for all students to attend camp at no cost, along with assistance from the school P & C in providing food for the camp.

Being on the Murrumbidgee, green spaces provides a unique opportunity to explore the local history, culture and environment. Students were treated to a variety of activities throughout the 2 days. On the first day...
